PROFESSIONAL SUMMARY

Detail-oriented Backend Developer with hands-on experience in Python, Django, and MySQL, and working knowledge of frontend technologies. Skilled at designing and building functional, real-world applications from the ground up, backed by over three years of on-ground administrative and operations experience. Eager to apply strong problem-solving and system-design skills to a backend or full-stack development role.

EDUCATION

St. Andrew's Institute of Technology and Management

Bachelor of Technology (Computer Science and Engineering) — 2023 – 2027

Gurugram, Haryana

Vivekanand Sr. Sec. School

Senior Secondary (CBSE) — July 2023

Dharuhera, Rewari

Vivekanand Sr. Sec. School

Secondary (CBSE) — July 2021

Dharuhera, Rewari

WORK EXPERIENCE

RD Institute for Career, Dharuhera, Rewari

Administrative Head & Branch Operations Manager

3+ Years

- Led administrative operations across all branches of the institute, overseeing daily functioning and coordination between departments.
- Managed staff coordination, student records, and branch-level operations for over 3 years, ensuring smooth day-to-day functioning.
- Identified operational inefficiencies in student record management and initiated the development of a digital solution to address them.
- Directed the planning and rollout of an in-house Student Management System, now actively used across the institute's branches.

PROJECTS

Student Management System

Python, Django, MySQL

- Built a full-fledged Student Management System for RD Institute for Career to digitize student records, admissions, and data handling.
- Designed the backend using Django and MySQL to manage student data, fee records, and branch-wise operations reliably.
- Currently in active use across the institute's branches, replacing manual, paper-based record keeping.

SKILLS

Backend: Python, Django, MySQL

Frontend: HTML, CSS, JavaScript

Tools & Platforms: Git, GitHub, VS Code

Soft Skills: Team Management, Operations Handling, Problem Solving, Communication, Attention to Detail

CERTIFICATIONS
